### § 1203.13 Filing pleadings.

(a) *Place to file and number of copies.* One original and three copies of each pleading must be filed with the Office of the Clerk, U.S. Merit Systems Protection Board, 1615 M Street, NW.,

Washington, DC 20419. In addition, parties to a proceeding under this part must serve their pleadings on each other in accordance with § 1203.14 of this part. The Office of the Clerk will make all pleadings available for review by the public.

(b) *Time limits.* (1) A request for regulation review may be filed any time after the effective date of the regulation.

(2) A response to a request for regulation review, whether the response supports or opposes the request, must be filed within the time period provided in the Board order granting the request for review.

(3) A reply to a response may be filed within 10 days after the response is filed. The reply may address only those matters raised in the response that were not addressed in the request for regulation review.

(4) Motions may be filed at any time during the regulation review. The filing of a motion will not delay the acting of the Board unless the Board orders a postponement. The Board may rule immediately on a motion for an extension of time or a continuance if circumstances make consideration of others' views regarding the motion impracticable.

(5) Submissions opposing motions must be filed within five days after the opposing party receives the motion.

(c) *Additional pleadings.* The Board will consider pleadings in addition to those mentioned above only if the Board requests them, or if it grants a request that it consider them.

(d) *Method and date of filing.* An initial filing in a request for review of a regulation may be filed with the Office of the Clerk either by mail, by personal or commercial delivery, or by facsimile. Pleadings, other than an initial request for a regulation review under this part, may be filed with the Office of the Clerk either by mail, by personal or commercial delivery, by facsimile, or by electronic mail in accordance with § 1201.5 of this chapter. If the document was submitted by certified mail, it is considered to have been filed on the mailing date. If it was submitted by regular mail, it is presumed to have been filed five days before the Office of the Clerk receives it, in the absence of

If it was submitted by facsimile, the date of the facsimile is considered to be the filing date. If it was submitted by commercial delivery, the date of filing is the date it was delivered to the commercial delivery service. If it was submitted by electronic mail, it is considered to have been filed on the date sent.

(e) *Extensions of time.* The Board will grant a request for extension of time only when good cause is shown.

A copy of all other pleadings must be served, by the person submitting the pleading, on each other party to the proceeding.

(b) *Method of serving documents.* Pleadings may be served on parties by mail, by personal delivery, by facsimile, or by commercial delivery. Service by mail is accomplished by mailing the pleading to each party or representative, at the party's or representative's last known address. Service by facsimile is accomplished by transmitting the pleading by facsimile to each party or representative. Service by personal delivery or by commercial delivery is accomplished by delivering the pleading to the business office or home of each party or representative and leaving it with the party or representative, or with a responsible person at that address. Regardless of the method of service, the party serving the document must submit to the Board, along with the pleading, a certificate of service as proof that the document was served on the other parties or their representatives.
